Definitions

Annual Equivalent Rate (AER) – Illustrates what the interest would be if the interest was paid and compounded once a year.

Gross Rate – Is the rate of interest payable before the deduction of tax. Interest is payable gross to non-tax payers subject to the required certification. Account holders should check their own tax situation, as there may be a potential tax liability.

Important Legal Information

Please note the European Savings Directive (ESD) was implemented on 1 July 2005. If you live in a country affected by the ESD, certain information about you and the interest you receive may be reported to your tax authority. If you require further information about the ESD and how it might affect you, please contact us. For more specialised advice, please contact your independent tax advisor.

Barclays Bank PLC is a member of the Financial Services Compensation Scheme established under the Financial Services and Markets Act 2000. In respect of deposits with a UK office, payments under the Scheme are limited to 100% of the first £2,000 of a depositor's total deposits with the bank and 90% of the next £33,000, resulting in a maximum payment of £31,700. Most depositors, including individuals and small firms, are covered.

The Scheme covers deposits made with the offices of the bank within the European Economic Area and deposits denominated in all currencies are treated alike. Further details of the Scheme are available on request.

The paid-up capital and reserves of Barclays Bank PLC exceed £8,753 million. Barclays Bank PLC has its principal place of business in London, England. Latest audited accounts are available on request.
